"Dear Passengers,

My name is Captain Elif and it is my pleasure to be one of the many female Captains here at Jazeera Airways.

I started my professional career as a teacher in Izmir, in my home country of Turkey and soon realized that I had a passion for developing people and inspiring young people to achieve their dreams.

Soon I became aware of my love for aviation, first working in airport ground operations to learn the industry before becoming enrolled in flying school. I began training to become a pilot in 2011 and qualifying in 2013.

I am proud to be the first ever female First Officer to be upgraded to Captain here in Kuwait!

I love my job because every day is different, I am very lucky to be able to travel to many new places and experience new things. I love taking care of my Passengers and taking them safely to their destinations.
